KAB ACS EXECUTIVE

KAB//Seating

The KAB ACS Executive is a top-tier 24/7 office chair, ideal for back pain sufferers. It features eight electrically adjustable air bags in the seat and back cushions, providing optimal comfort and ergonomic support. Featuring variable height lumbar support and customised side support, this chair ensures a personalised fit. Alongside back recline, tilt-lock, and height riser mechanisms, it also offers adjustable headrest and armrests. With its versatility, it serves as an excellent chair for injury rehabilitation.
